Frequently Asked Questions—Schools:

What Products Do I Need for My School?

In order to effectively respond to an emergency, schools need to have a plan and supplies on-site. Staff will need to be able to take care of themselves and students in a disaster. They will not have a luxury of being able to leaving until all children have been picked by their parent. An adequate emergency supply of food and water, tools and blankets is essential. Here is a list of the items FEMA recommends schools have on hand,

- Fire Extinguisher
- Radio
- First Aid kit and manual
- Nonelectric can opener
- Essential Medicines and medical supplies
- Diapers and wipes
- Roster of Children w/address and their parent's emergency contact info.
- Crescent and pipe wrenches to turn off gas and water supplies
- Crow Bar
- Emergency Food and Emergency Water. One gallon per person per day
- Purification tablets or chlorine bleach
- Waterproof plastic bags / Tarps
- Sturdy boots or shoes. – Have each teacher bring in an old pair of sneakers
- Rope
- Hard Hats,
- Safety Glasses
- Safety Vests
- Flashlight
- Batteries
- Blankets
- Work Gloves
- Dust Masts – N-95 preferred
- Duct Tape
- Waterproof Matches

Frequently Asked Questions—Schools

What products do you have for student emergency kits?

The basic student emergency kit is a perfect for schools. It comes with a Food Bar (Apple Cinnamon) lasts for 5 years and has no nuts or oils. Each kit also includes 6 water pouches – good for five years, 3 wet naps, 2 band aids and 1 solar blanket. This works well for schools because the kit is compact and **takes up less space** than canned food. We do offer several different Student kits including “All Can” Food kits with a shelf life of one year. The whole idea is to help the school get a collection of these items done in a timely fashion. Take the orders the day of registration- place the order- delivered usually with in the week.

What Comes in a Lockdown Bucket Kit?

This kit is used for emergency situations in school were students are held in their classroom due to an intruder on campus. It is a 5 gallon bucket with a toilet seat/lid top. It can be used as an emergency toilet. Usually the bucket comes with toilet liner bags, deodorizer, hand wipes, toilet paper and solar blanket to help create privacy. Lockdown kits can be created to your school needs and budgets.

What If I Already Have Some of the Items That You Have In Your School Kits? Is It Possible To Substitute Different Products?

Yes absolutely!! We at Be Ready started this company to help people get what they **really need** not fit into a “one size fit all” kit. Individually designed products are our specialty. Give us a call and we will be more than happy to customize kits to fit your needs.

Is It Possible To Personalize Kits With Our Logo?

Yes almost all our product can be personalized with your school name or mascot. We will need your artwork submitted electronically and require a minimum order of 20- kits for silk screening.

Do You Have First Aid Products For the Health Office?

We offer a wide variety of individual first aid products – from band aids to cold packs to ointments,

Do You Have Anything For The School Parking Lot and Pickup Area?

Be Ready carries a wide variety of traffic cones, reflective vests and traffic signage.

Are purchase orders accepted?

Yes, we accept all major credit cards, PayPal, checks and purchase orders.
