

## **6 P's for Readiness**

**People and Pet's** Set up meeting place outside the house and outside the neighborhood.  
Have emergency kit with supplies ready.

**Papers** Have all your papers in order. All keep in waterproof bag.

### **Prescription/Vitamins/Eyeglasses**

**Pictures & Irreplaceable Items** - Have pictures and items marked on bottom so you know what to take.

**Personal Computers** Must take with you!!

**Plastic** Credit cards know the numbers - take them all.

### **Things to do if fire is close by:**

Turn on exterior lights  
Bring toys, patio furniture, trash cans away from the house  
Attach hoses to tap  
Seal up vents with precut wood  
Shut all windows and doors – leave unlock?  
Shut off air conditioning/ attic fan

### **Things to do while waiting**

Pack up car with belongings  
Back car up into driveway  
Drink lots of water  
Listen to the radio/ Stay close to home  
Do not stay if asked to leave. You are at high risk if you stay.

### **Things to do when asked to leave**

Remove flammable drapes coverings from windows  
Move all flammable furniture to the center of the room  
Close shades  
Turn on all lights – so fireman can see in.
